Communicable Disease Case Investigator (MCRHC/MPHC)

Closing Date: October 19, 2017

The Monmouth County Regional Health Commission No. 1/Monmouth Public Health Consortium will have an opening for a Communicable Disease Case Investigator. The successful candidate will be responsible for conducting communicable disease investigations, tracking, reporting and maintaining records of communicable diseases occurring in 24 towns covered by four local health departments in accordance with the provisions of the New Jersey Sanitary Code. Subject to background check, applicant must possess excellent written and oral communication skills and will be required to learn and utilize various types of electronic and/or manual recording and information systems including, but not limited to computer, facsimile, email and MS Office. An understanding of medical terminology, working knowledge of the NJ Communicable Disease Reporting and Surveillance System (CDRSS), background experience in communicable disease, laboratory science and/or infection control desired. Ability to interact with patients in a caring and professional manner is a must. High school diploma required. Associate's degree or higher with NJ Registered Nurse License is preferred. Bilingual Spanish/English helpful. Salary: \$32,000 - \$50,000 commensurate with experience. **Start date is December 1, 2017.**

Qualified applicants are encouraged to apply by sending their resume to:
