## **About Us**

We are a concierge health agency. The services provided to our member communities are tailored to their needs, exceeding NJ State & local requirements. Through being a nexus for sharing services, we save communities money (precious tax dollars), while delivering exceptional, quality public health services. MCRHC is the only health department in Monmouth County that has obtained nationally accreditation, satisfying the Public Health Accreditation Boards ambitious standards.

### **Mission Statement**

Our mission is to ensure healthy people living in healthy, thriving communities through planning, education and enforcement.

Together we:

- Prevent or reduce disease and injury
- Promote healthier choices and assure access to care through collaboration
- Prepare for and respond to public health emergencies

### **Vision Statement**

Healthy People  
Living in Healthy Communities
