Registered Environmental Health Specialist (REHS -1)

Closing Date: October 4, 2021

The Monmouth County Regional Health Commission No. 1 will have an opening for a Registered Environmental Health Specialist 1 (REHS-1). Possession of a valid Registered Environmental Health Specialist License issued by the New Jersey Department of Health is required as well as a N. J. Driver's License. The successful candidate will be responsible for conducting field inspections and/or investigations in accordance with the provisions of the New Jersey Sanitary Code in such areas as: retail food establishments; public recreational bathing; tanning facilities; youth camps; body art procedures; public health nuisances; communicable disease control; childhood lead poisonings; rabies control follow-up; rabies specimen transport to the State Lab. Subject to background check, applicant must possess excellent writing and communication skills and will be required to learn and utilize various types of electronic and/or manual recording and information systems used by this office. In-depth working knowledge of on-site wastewater disposal systems, lead inspector/risk assessor and air/odor certifications are preferred. Experience and the ability to speak English/Spanish are desirable. Salary: \$45,000 - \$55,000. **Start date is approximately November 1, 2021. The Commission reserves the right to review resumes and conduct interviews as they are received and perform background checks on all candidates.**

Qualified applicants are encouraged to apply by sending their resume to:
